# 2010 **Annual Report**

## **Our Mission**

The mission of Shoes That Fit is to provide new shoes to children in need for school.

Shoes That Fit

## You helped Shoes That Fit kids take a giant leap forward in 2010

At Shoes That Fit, our goal always remains the same—providing new shoes to children in need for school. Children need to feel good about themselves, their school and the community around them. We believe every child deserves shoes that fit so that they can run and play and fit in with their friends and pay attention in school rather than worrying about the stigma and discomfort of their torn, tight or smelly shoes.

In 2010, Shoes That Fit donors and volunteers teamed up to make 2010 our best year ever:

- 113, 952 pairs of new shoes and other items were provided to children in need
- 1,523 schools benefited from the Shoes That Fit program
- 41 states now have a Shoes That Fit presence.
- 291 volunteers run their own Shoes That Fit chapters.

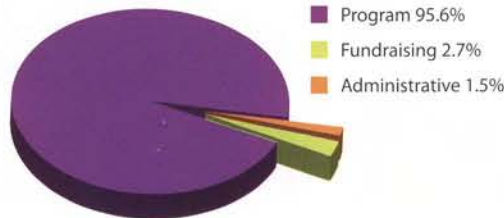

But there are so many more children who could benefit from our program. In 2011, we plan to:

- Nurture more corporate connections to spread Shoes That Fit quickly into more communities, while maintaining the hands on nature of our program.
- Expand Sole Mate monthly sustainer contributions to ensure more steady revenue.
- Develop a bequest program where loyal donors can impact children in need even after they are gone.
- Move Shoes That Fit toward our 20th Anniversary and One Millionth shoe donated at our Sneaker Ball in 2012.

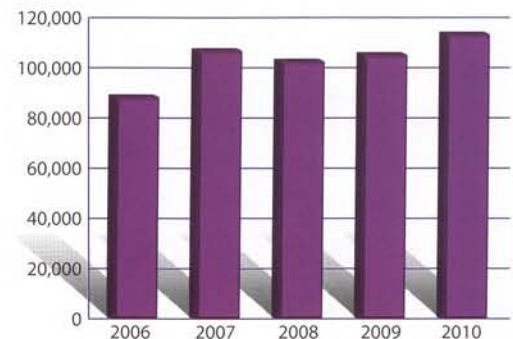

Thank you for helping Shoes That Fit achieve these great accomplishments in 2010. We simply could not do it without you. We look forward to your support propelling us further toward our goals in the years to come.

# Shoes That Fit Reaches New Heights

*Shoes That Fit Awarded for Investing Your Money Into Programs That Work*

Charity Navigator, “America’s premier independent charity evaluator,” again gave Shoes That Fit its highest rating of 4 Stars in 2010.

**“The greatest gift we have ever received.”**

Please accept my thanks for the donation of shoes for the students of Garden Hills Elementary. I have had the pleasure of working at Garden Hills for six years and I know this is the greatest gift we have ever received from any organization...

I wish you could have been here to see the joy on the students’ faces when they received their shoes. They were so appreciative and beaming with pride... We had students outside showing their teachers how fast they could run in their new shoes.

Please know what a difference your organization has made in the lives of my children.

Better Business Bureau’s Wise Giving Alliance as having met each of their rigorous standards for charities. The BBB Wise Giving Alliance seeks to help donors make informed giving decision and advances high standards of conduct among organizations that solicit contributions from the public.

We work hard to meet the high standards of organizations such as these and are proud of this recognition of our integrity and effectiveness.

*A holiday Dream Team in 2010—Nordstrom, New Balance and Shoes That Fit*

This past holiday season, Shoes That Fit partnered with Nordstrom and New Balance to provide brand new New Balance athletic shoes to 12,000 children at 200 schools across the country. Shoes That Fit matched every Nordstrom store in the United States with schools in their communities.

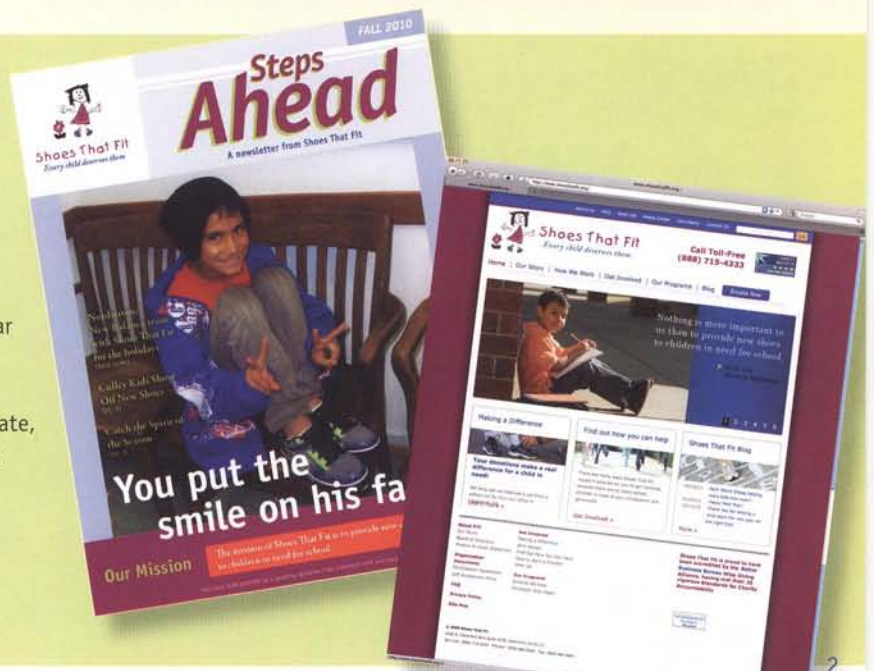

We were extremely excited to participate in this event, as one grateful principal put into writing:

*“The Shoes That Fit program was an unbelievable success at Yavapai Elementary School...Most of the students put their new shoes on right away while others held onto their boxes as if Santa had given them the finest gift of all. The happiness and gratitude each family expressed deeply touched our hearts.”*

Wendy Cohen, Principal  
 Yavapai Elementary School, Scottsdale, AZ

**Following Shoes That Fit is easier, and more colorful, than ever!**

One subtle yet important accomplishment we had last year was reformatting our communications. If you haven’t been to our website in a while, please visit us at [www.shoesthatfit.org](http://www.shoesthatfit.org) and see how easy it is to navigate, donate, and find information on starting your own Shoes That Fit chapter. We completely revamped our print newsletter, including giving it a new name—Steps Ahead. You can also find us on Facebook, YouTube and Twitter and we will launch our e-newsletter and volunteer newsletters soon!

# Looking Ahead to 1 Million Shoes!

*In Spring 2012, Shoes That Fit will celebrate this milestone and our 20th Anniversary with a "Sneaker Ball" gala event.*

We are also very excited about our upcoming 20 year anniversary and donation of 1 million pairs of shoes in 2012. We hope you'll join us in celebrating these milestones at The Sneaker Ball! Look for a "save the date" invitation in the near future.

*Dear Shoes That Fit,*

*Thank you so much! I really had some old beat-up stinky shoes. I love the new ones. My feet actually have some room to roam around. I love these awesome shoes. They fit me! They are perfect for me! Thank you so much!*

*— Stormy*

*I thank you from the bottom of my heart.*

*Truly yours,*

*Alana*
