Watching the kids faces light up when they receive new shoes is priceless.

We’ve seen kids with shoe soles barely attached to the shoes, kids trying to hide their shoes and socks from us when we measure. We’ve had some wearing adult shoes while they are in 1st grade. Seeing a student get a pair of shoes that actually fit them is super special.”

- a teacher talking about the impact of your gift

"My favorite story is from one of our 4th grade students. She was so excited when she got her shoes, that she hugged them to her chest, and exclaimed "I am so excited for my new shoes."

- a teacher from a school helped by the Shoes That Fit family

I finally have my very own.
